## THE GREAT BOATS . . .

## . . . FROM GRADY WHITE!

It's with great pride that we present our 1972 line of Grady White pleasure boats. Our product line has many new features and improvements that your dealer will be happy to show you.

All Grady White Boats are durably constructed of *hand layup* fiberglass by skilled craftsmen. It is especially important to note that we are one of the few fiberglass boat builders still using the *hand layup* method exclusively. Each Grady White Boat meets the same standards of quality which have been traditional with Grady White for years.

When you buy a Grady White Boat, you can be assured that you have bought more than just boating pleasure . . . you've made a good investment because the Grady White Boat retains its value and good looks year after year. You have a boat that gives you smoother riding, more stability, and greater safety on the water.

If you're a newcomer to the exciting world of boating, or an "old salt", you can take the helm of your Grady White with pride and confidence, knowing that your craft is built with superior workmanship and the best materials money can buy. Take a close look. You'll see that the Grady White Boat is for you, because it's designed and built to give you years of safe, dependable boating pleasure.

**FINAL  
ASSEMBLY**

**GRADY WHITE BOATS**

BY NATIONAL BOAT WORKS, INC.

714 ALBEMARLE AVENUE ■ GREENVILLE, NORTH CAROLINA 27834

## MANUFACTURING FACILITIES

The most modern equipment and techniques are employed in the manufacture of GW fiberglass boats. Mold room methods include all hand layup with alternating layers of roving and mat that overlap at the keel and stress areas. All wood reinforced areas are completely glass covered to insure sealed air flotation compartments. With total plant facilities of over 160,000 sq. ft., all boats move through neat production lines which promote high quality workmanship. All gel coats, vinyls, raw materials and hardware are of the finest available.

## WARRANTY

This warranty is in lieu of any other warranty expressed or implied. National Boat Works, Inc. warrants to the original purchaser, each boat manufactured by National Boat Works, Inc., to be free of defects in material and workmanship for a period of one year from date of purchase, when purchased from an authorized dealer. Excluded from this warranty are engines, outdrives, propellers, controls, mechanical steering, bilge pumps and any other part expressly warranted by the manufacturer thereof. Also excluded are gel coats, chrome, windshields, glass breakage and upholstery. Boats subjected to misuse, abuse, negligence, or used for racing are expressly excluded from this warranty. Any repairs authorized by our factory in writing will be repaired at the factory in Greenville, North Carolina or at our option by our authorized dealer. Transportation charges to and from the place of repair will be the responsibility of the owner. National Boat Works, Inc. reserves the right to make changes in design and materials without being obligated to incorporate such changes in products manufactured prior to incorporation of such changes.
